Dear Josephine,

Our ministry has been vandalized!

Every day JC and I do our best to live the Christian way of life.

The bible reminds us that troubles will come, love thy enemies, and pray for those who come against you. The bible came alive today.

Today started as any other day. I left home in the morning and drove to Wakulla Correctional Institution to teach our Inside/Out Dad curriculum to inmates. At the end of the class, I received a message that JC was trying to reach me. Immediately my radar went up because JC will only contact me at the prison in the event of an emergency.

Taking the call from her, she advised me that our air conditioning unit at 604 Eugenia Street was vandalized and she was waiting for the police to arrive. I left the prison immediately and arrived at our Christian Outreach Ministry while a Tallassee policeman was taking finger prints and completing his report. I give credos to the policeman due to his timely appearance and professionalism. We learned that businesses and homeowners in our neighborhood have experienced similar criminal issues.

Drugs, thievery, and violence have become commonplace in our community and we citizens should never accept this as normal. The irony is our Ministry, Living Stones, is on the front-line standing in the gap for families in crisis. We interact with the predators and victims alike because God is all about unconditional love and forgiveness.

Although we forgive the predator(s) that vandalized our air conditioning system donated to our Ministry, the fact is we are without air conditioning and now must consider cancelling our afternoon and evening programs due to the heat. This will affect **our teen dad program, marriage coaching, meetings with collaborative partners, individuals and families.**

Your emergency \$\$gift can replace the unit or you may know a HVAC technician or company that's able to acquire a used unit to help us. Either way we need your help Now!

Evil cannot steal our joy, dreams or faith because we trust God to provide all our needs according to his Glory. Become our testimony.... whom the Lord sends to keep His works active.

Sincerely,

Pastor Gary
