

# Living Stones International Children of Inmates

## 2013 and Beyond...

Hi Friends,

Thank you for your support to Living Stones' Children of Inmate program. Our bonding visit to Wakulla Correctional Institution Annex on December 21, 2012 was a huge success. This visit allowed twelve inmates to spend a day with their twenty children and thirteen caregivers.

# Day of Visit - December 21, 2012

Starting at 6:00 am, children, caregivers and volunteers arrived at Jacob Chapel for orientation, coffee, juice and donuts. After making sure all documents and I.D. were supplied, we loaded onto two large vans provided by First Baptist Church and drove to Wakulla CI Annex.

### It's About the Children...

Prior to the visit, LSI hosted a mandatory six week parenting class at the prison. Inmates

that successfully completed the classes and were approved by the Warden's office participated in the visit. During the bonding visit with Fathers, children and caregivers created a number of Kodak moments with tears of joy.

#### **Fun Station**

After the visit, we traveled to Fun Station to decompress from being inside prison walls.

We are thankful for our awesome volunteers and WCI staff willing to take their time and talents to assist us with the visit.

#### THANK YOU

Your continued support will be greatly appreciated with Living Stones' next visits on March 19th in WCI Annex and March 22nd in the Main Unit.
